Hi =

□ ...

His judgement rendered, he dissolved the Thing.

Ingeborg And your decision?

Fridthjof And your decision?

Have I ought to choose?

Is not mine honour bound by his decree?

And that I will redeem through Angantyr

His paltry gold doth hide in Nastrand's flood.

Today will I depart.

Ingeborg Today will I depart.

And Ingeborg leave?

Fridthjof Nay, nay, I leave thee not,

thou goest too.

Ingeborg Impossible!

Fridthjof Impossible!

O! hear me, ere thou answerest.
